The professional hypnotherapy training offered by the *Institute of Transformational Hypnotherapy* is a valuable adjunct for all helping professions. Participants will learn therapeutic techniques to help clients heal the wounds of childhood and to heal and resolve destructive habits, patterns and limiting beliefs. Other topics include learning methods and language patterns to eliminate fears and phobias, and to produce hypno-analgesia and anesthesia for pain management. The training is structured to give participants a comprehensive understanding of the theory and practice of hypnosis, as well as, provide an environment for personal transformation. Classes will be primarily taught by Robert Ranger, M.A., C.C.H.

The Institute of Transformational Hypnotherapy is Licensed by the State of Michigan. The training consists of three 40 hour programs of theory, demonstration and practicum. Principles of Hypnosis, starts **Saturday, January 29, 2011.**
